Definition of Key Terms

For Handbook use, the following terms have been defined.

- **Parent(s)** - refers to the student’s parent(s) and/or legal guardian(s)
- **Improper** - means anything that inspires or alludes to non-Christian thoughts and/or actions. School staff reserve the right to judge between proper and improper.

MISSION, VISION, VALUES & PURPOSES

Mission Statement

School of Hope's mission is to help students realize they have potential and to develop it through a safe, individualized and encouraging learning experience.

Vision

School of Hope equips and inspires students to lead Christ-centered lives and develop their full potential based on faith, wisdom, and hope.

Values

- Education is a life-long process of learning – the incorporation of facts and experiences into a daily increase of wisdom and knowledge.
- Good character is based on Judeo-Christian principles of thinking, behavior and work ethic.
- Talent and curiosity are God-given traits that should be fostered and developed.
- Every student is unique, therefore each educational experience is unique.

Purposes

- Introduce and instill a worldview based on Biblical principles, experiences, and critical thinking.
- Employ multiple and creative teaching tools and strategies.
- Partner with parents in meeting their God-given responsibility to educate their children.
- Give all students, struggling or not, the tools to succeed and the opportunity to soar.
- Teach students to act justly, to love mercy and to walk humbly before all based on Biblical principles.

HISTORY

In October, 2004, Springhill Missionary Baptist Church voted to pray for and work towards starting a Christian school. In May, 2007, the church began preparing to open the School of Hope. The first bell rang on September 4, 2007. In the first year, we had the privilege of schooling seven students.

God blessed each year with continued growth. By 2010, we had 31 students and were running out of room. In January of 2011, the church voted to construct a new building that would accommodate 50+ students. A ground breaking ceremony was held July, 2011.

We are looking forward to a growing enrollment as the Lord leads and working with families to provide an education with high Biblical and academic standards.

GENERAL INFORMATION

School of Hope provides education for grades Kindergarten through 12.

The school year runs July through June. There are 4 quarters (2 with 9 weeks and two with 10) and 2 semesters per year. Each quarter is followed by a 3-week break. Each student will be given a school calendar with specific dates and/or the school's website may be consulted (www.schoolofhope.net).

ACCREDITATION

School of Hope is accredited by the National Association of Private Schools.

ACADEMIC POLICIES

Curriculum

School of Hope is committed to academic excellence and strives to maintain the highest levels of learning. For that reason, we utilize a variety of curricula, including: Saxon, Accelerated Christian Education, Alpha & Omega, Apologia Science, Hillsdale College, The Great Courses, and Duolingo for foreign languages. Basic reading skills are taught using a phonics-based approach.

All students are taught goal setting skills and receive individualized instruction. For many subjects, each student moves through the material at his or her own speed. One-on-one tutoring may be available if needed.

Opening, Scripture Memory, and Chapels

When working in PACEs, students will memorize scripture according to directions presented. These verses will be recited at the time of the test. We will encourage and work with students to memorize these verses when needed. We open and close each day with prayer, pray before lunch and before each test. These times may also include devotionals and testimonials of God's work in our lives. We keep a list of prayer requests and offer them up regularly. From time to time, we have more formal gatherings in the chapel/sanctuary.

Homework

If a student is unable to finish the daily work, that student will be expected to finish at home. Younger students having homework are given a homework slip, which **MUST** be signed by a parent and returned the next school day. Students falsifying parental signatures will earn detention. Students in high school do not receive homework slips, but are expected to do the work necessary to maintain academic progress.

Test Taking

Students are expected to prepare for all tests. It is highly recommended that study materials be reviewed with a parent before any test.

Upon receipt of test results, students are encouraged to thoroughly review all items and discuss any questions with faculty.

Performance

We believe that grades, credits, and diplomas are earned, not given for mere attendance. Students are expected to put forth their best effort. Because of this, each student is required to complete a specific amount of work per quarter, based on his/her individual needs. Progress is monitored on an ongoing basis; encouragement and assistance are offered. Discussions with the administrator are held as needed.

Incomplete Work

If a student is unable to complete the assigned work by the end of a quarter, their grade(s) may be held until the work is completed. Depending on the circumstances, the final quarter grade(s) may be lowered.

Failed Tests

In most cases, 80% is the minimum grade needed for passing a final test. This is an appropriate percentage demonstrating mastery of a subject. If a test is failed, students will be given an opportunity to retake or correct the test. Sometimes a PACE may need to be repeated. In this case, a fee of \$5 will be assessed for the materials.

Grading Scale

Consistent with schools around the country and in preparation for most colleges, we use the standard 10-point scale. All grades are recorded by percentages based on the scale that follows:

$$100 - 90 = A$$

$$89 - 80 = B$$

$$79 - 70 = C$$

$$69 - 60 = D$$

Grades are calculated at the end of each quarter; final course grades are recorded at the end of each semester (2 quarters).

Report Cards

Report cards are issued each quarter. If a student has unpaid tuition/fees at the end of the quarter, the report card may be held until the balance is paid (See Financial Agreement for details).

Honor Roll

Each year a special ceremony is held to honor students' scholastic achievement. Awards are given to:

- "A" Honor Roll Students - Those finishing the prescribed work and achieving an overall grade percent $\geq 90\%$.
- "B" Honor Roll Students - Those finishing the prescribed amount of work and achieving an overall grade percent 89-80.
- Students for other special academic achievements

ADMISSION POLICIES

Application and Admission

Interested applicants and a parent must schedule an appointment with the administrator for an interview and to discuss and review enrollment/agreement papers. Applications will be considered in the order their registration is received and registration fee is paid until maximum school capacity is met. Current students returning from a prior semester will be given first consideration for enrollment.

Individuals diagnosed with severe behavior, learning or emotional disorders or classified as special needs are considered on an individual basis. The School of Hope reserves the right to deny any student admission.

New students may be required to take diagnostic exams to determine the students' level of achievement and placement in School of Hope's curriculum.

Enrollment Requirements

The following documents must be on file in the school office by the first day of attendance. Students with missing items will not be allowed to begin school until all requirements are met.

- Enrollment Forms, including signed Student Application, Financial & Conduct Agreement
- Birth Certificate
- Current and up to date Immunization Records
- Transcripts (Transfer students only) - Credits will be accepted for classes in which the student is receiving a passing grade
- Paid registration fee

Probationary Period

The first quarter of enrollment is probationary to ensure that the student, parent and school are compatible. Enrollment may be revoked for any of the following.

- Disciplinary problems
- Inability to perform at prescribed level
- False information given during enrollment.

Financial Agreement

A signed Financial & Conduct Agreement and paid registration fee is required prior to enrollment. Monthly tuition payments are due on the first school day of each month. ***If a balance remains at the end of a quarter, the student will not be allowed to attend the following quarter unless arrangements are made.*** If the student transfers to another school, no records will be released until the account is paid.

If a student withdraws or is asked to withdraw, a refund will be given if credit remains after tuition and charges are subtracted. For withdrawals occurring mid-month, tuition will be prorated and any

remaining credit applied to charges/fees for the present month. Any other leftover monies will be refunded and mailed to the parent/guardian.

Tuition covers basic learning materials, music lessons, computer time and art projects. Additional fees may apply for extra items.

ATTENDANCE POLICY

Students are expected to:

- Arrive and be in their designated place at 8:00 a.m.,
- Stay until school is dismissed at 3:00 p.m., and
- Attend regularly.

Tardiness

Please be on time to the best of your ability. Tardiness disrupts the learning environment.

Absences

When absences occur, a parent/guardian should notify the school by noon. If the absence is foreseeable, the school should be notified in advance. Doctor, dental and other appointments are to be made after school hours when possible.

Make-up Work

- Is NOT required for 4 or fewer days absent per quarter
 - IS required for 5 or more days absent per quarter
- Make up work can be picked up from the school or sent home with a sibling. For extended absences, completed assignments must be turned in on a weekly basis or as otherwise arranged by the parent and administrator.

Continued/Extended Absences

Continued absences may result in a parent/administrator conference and/or dismissal. An extended absence requires a detailed physician explanation and/or administrator approval.

HEALTH & SAFETY ISSUES

When Students May Not Attend

Students should be kept home for ANY of the following symptoms. If any of these develop while at school, the student's parent will be contacted to pick up him/her.

- Temperature in the past 24 hours
- Nausea, vomiting, or diarrhea in the past 24 hours
- Rash of unknown origin or of a contagious nature
- Head lice – students must be cleared before returning to school
- Any other illness of a contagious nature or when the student is obviously unable to concentrate in the classroom.
- In accordance with guidelines in place at the time of this update, if a student or family member tests positive for COVID-19, the school should immediately be notified. In the case of a student and potential exposure within the family unit, we ask that the student remain home until quarantine requirements are met.

Illness, Injury and Medical Emergencies

School of Hope does not employ a school nurse. Students who become ill or are injured while at school will be assessed by school personnel to determine the student's needs. First aid is administered for minor cuts, bites and stings. The student's parent will be contacted. For any medical emergency, 911 may be contacted PRIOR to parental notice.

Medications

The school keeps a supply of acetaminophen and ibuprofen. These are given only with parental/guardian consent (telephone or written). Prescription medicine should be given at home whenever possible. If sent to school, medications must be:

- Brought to the office upon arrival at school with written permission for the school to administer the medication
- In the original package/bottle, labeled with the student's name and directions for use.

If a student has asthma, the parent is responsible for notifying the teacher and/or office and providing information on where an inhaler is kept and when the student should use it.

Insurance

School of Hope:

- Does NOT provide medical coverage at any time during school activities or while on church property.
- Will NOT be held liable for medical coverage in the case of an accident during or after school activities.
- DOES provide liability coverage only.

The parent/guardian is responsible for medical insurance.

Mandated Reporting

In accordance with state law and school policy, school staff is obligated under penalty of fine and jail term to report the reasonable suspicion of physical abuse, sexual abuse, or child neglect. The school may or may not contact parents in advance of making a report to authorities. The clear intent of the law, based on the seriousness of the crimes listed above, is to mandate that a report of "reasonable suspicion" of abuse be made. *School staff will make such reports in the best interest of the affected child and do not, once reasonable suspicion is established, have any legal alternative but to make the report.*

Bad Weather Conditions

Announcement of school closing due to inclement weather will be posted as noted below. If T.V. and internet access is not available, a phone call from school can be made if previously requested.

- KFVS-TV Channel 12
- School website (www.schoolofhope.net)
- “SSH Parents” and “Springhill Baptist Church/School of Hope” Facebook pages

Emergency Plan

The following briefly describe the school’s emergency plan.

- **Fire**

Staff will supervise an orderly evacuation of students. Doors will be closed by the last person leaving each room.

Evacuation routes are posted in each room. The local fire department will be contacted as needed. Everyone remains outside until the “all clear” signal is given.

- **Tornado**

Students will be moved to a designated area and instructed to kneel down facing the wall and cover their heads with their hands.

- **Earthquake**

Students will be instructed to seek immediate cover under a desk or table. As soon as the shaking stops, students will leave the building immediately, following the fire evacuation route.

Any time students are evacuated, staff will take roll as soon as students arrive in the designated area to assure that all are present.

GENERAL POLICIES

Arrival and Dismissal

School will convene at 8:00 a.m. and will be dismissed at 3:00 p.m., Tuesday - Friday. Supervision will be offered for a limited time before and after school. Students will not be allowed on school property before 7:30 a.m. and must be off school property by 3:30 p.m. except those involved in school sponsored activities or practices, or unless previous arrangements have been made.

Lunch

Each student is responsible for bringing his/her own lunch or purchasing lunch/snack items at the school. Lunch/snack tickets must be purchased in advance to obtain items from the Snack Shack. Lunch is eaten in selected areas. A microwave oven is available.

Recess

Students will go outside for recess/P. E., weather permitting. Outdoor wear appropriate to current weather is essential.

Field Trips

Parents may be asked to volunteer to help with educational field trips. Those who volunteer should keep the following in mind:

- All students are assigned to a specific volunteer and remain under his/her care for the duration of the trip. If a student becomes uncooperative or develops a problem, he/she should be referred to a staff member immediately.
- Volunteers must follow the trip plan as directed by school staff. Personal activities should not be conducted during this time.
- Volunteers providing transportation must have a current Driver's License and Liability Insurance on the vehicle being used.

Library Books

Students are allowed to check out the books from the school library and return them in two weeks. Any lost book must be replaced or the cost of the book will be charged to the student's account. In addition, students are encouraged to utilize the Doniphan-Ripley County Library in Doniphan.

Personal Cell Phones/ Electronic Devices

Use of personal cell phones or other electronic devices is NOT allowed during school hours, unless authorized by a staff member. Devices will be confiscated and returned to the student at the end of the day. The school is not responsible for lost items.

School Telephone Use

Parents needing to contact students may call the school office. In most cases, messages will be taken and students will have the opportunity to return calls during scheduled breaks with staff permission. Students needing to contact parents may request use of the school's telephone. Phone calls may be screened.

Communication Envelope

Occasionally a "Communication Envelope" will be sent home with the oldest student of the family. This information should be read by both parents, if possible. The envelope should then be signed on the outside in the appropriate place and returned by the student the next school day.

Visitors

To avoid disruption and provide for student and staff safety, visitors should:

- Sign in and out at the school office.
- Wait to enter the Learning Center until greeted by a staff member.

STANDARDS OF CONDUCT

School of Hope is dedicated to developing students who will lead Christ-like lives. While it is impossible to address every situation that may arise, the following information has been developed to provide students, parents, teachers and administration a common understanding of school-wide expectations.

Students are to act in a respectful manner with kindness, morality and honesty. Christian character is to be reflected in dress, conduct, language and attitude - in school and out of school.

Lifestyle Statement

The school does not seek to involve itself in the private lives of students outside of school hours. However, as an institution based on Biblical principles, we encourage all students to live in a Godly manner. While at school, if the conversation/behaviors of a student are continually a problem or issue with other students, the school reserves the right to exercise appropriate action to address the situation. This may include refusal to reenroll the student, suspension, and/or expulsion. We will offer counsel to the student and families prior any type of punitive action. Examples of these standards include:

- We encourage sexual purity according to Biblical standards; encouraging students to remain sexually pure until marriage. We further encourage students to lay aside any homosexual/bisexual behaviors (Lev. 20:13, Romans 1:27)
- Alcohol, tobacco, vaping, drug use, and involvement in pornography are illegal/criminal actions at the age of our students. Refrain from the use of and discussion of such products on school grounds.
- Deviant or criminal behavior of any kind may also result in action against the student.

- Potential students participating in the practices listed above prior to enrollment may be denied the opportunity to attend SSH.

Dress Code

Overall appearance must be clean and neat and express modesty. Specific guidelines include but are not limited to the following.

- T-shirts must have sleeves.
- No low-cut tops
- No spaghetti straps
- Shirts/blouses must cover the mid-section/waist
- Shorts/Skirts must reach the knee when standing.
- Yoga pants/leggings are acceptable if worn with a long top.
- Clothing and caps must not promote alcohol, tobacco or display undesirable messages.

Students failing to meet the standards of the dress code will be given more modest clothing to wear for the day or will contact the parents to bring a change of clothes.

Academic Dishonesty

Cheating and/or plagiarism in any form will not be tolerated. This includes use of any resource in an attempt to circumvent the natural work and learning processes. Each offence will be carefully considered and disciplinary action taken as deemed appropriate by school staff.

Student Offices

Students are provided an area for work and storage of their study materials. Offices are to be kept clean, orderly and free of graffiti and posters. One personal item is allowed. Any other items or anything that becomes a distraction to the student or to others will be confiscated and sent home.

Bad Attitudes, Bullying & Disrespect

Bad attitudes, bullying and/or disrespectful behavior (e.g. regarding fellow students, staff, school property) will not be tolerated. *This includes such behaviors on social media.* We understand that students will have disagreements and personal issues from time to time.

However, when these problems become chronic and abusive, then it may be deemed necessary to step in and address the problem. In the event that any of these should occur, a student-parent-staff meeting will be required. Problems that remain unresolved will lead to further disciplinary action which may include student dismissal.

Property Defacement/Damage

The school expects all students to treat all school property with respect. Students who deface/damage any school or church property, unintentionally or willfully, will be required to pay for repair or replacement. Repeated property abuse may result in dismissal. Property defacement/damage includes but is not limited to: breaking flags or other destruction of student offices, damaging school or church possessions, land, assets.

Disallowed Items

Items not allowed on school property or at school events at any time include but are not limited to the following.

- Firearms of any kind
- Knives
- Cigarettes, matches, lighters or other smoking materials
- Alcohol, narcotics, vaping devices, or any other illegal substance
- Improper magazines, books, pictures/art, music, notes, jokes
- Chewing gum

Search and Seizure

Administration reserves the right to search and seize all contraband items as described in the preceding Disallowed Items list should

the need arise. This includes but is not limited to: book bags, purses, vehicles, students' pockets and any other personal property. Any firearms, narcotics, or illegal substances or paraphernalia found will immediately be turned over to the juvenile authorities.

Use and Misuse of Electronic Media

Several classes make use of the internet for research, definitions, languages, etc. Students may use the school's computers for class-related assignments. There may be occasions when a student will be authorized to bring a computer from home and use while at school. Students are not permitted to treat school computers as their own and will be held to the following guidelines:

- No student may download software/apps of any kind onto a computer
- School computers are not to be used for social media by students.
- Websites of pornographic, violent, or vulgar nature are not to be viewed.

Failure to observe the above guidelines may result in a loss of computer privilege or other disciplinary measures.

Social Media/Electronic Communications

The world in which we are raising and guiding children is far different than prior generations. Digital social media isn't an accessory to our kids; it is an integral as eating. Parents and teachers are faced with watching out for them in the mostly private, hidden realm of communications between our kids and "someone else."

Biblical, traditional values are undermined as never before; our children may be damaged in ways both subtle and overt. The digital world is a large part of this change. Your children are your children, and we respect your rights as parents to raise them in whatever way you see fit. We do not intend to police students' digital activity. However, if things outside of school affect things

inside, we will get involved. The School of Hope has established the following policy to encourage responsible digital activity and to protect our students, families, and school reputation.

Social Media:

Students' digital accounts (including, but not limited to, Facebook, Instagram, YouTube channels, Snapchat, TikTok, Twitch, etc) are to remain in compliance with school guidelines *during the time of the student's enrollment in the school.*

1. Obscene, vulgar, and/or blasphemous language
2. Sexual content
3. Threats of self-harm or harm to others
4. Violent or demonic images
5. Alcohol, tobacco, vaping, and illegal drugs
6. Anti-God or anti-Christian sentiment
7. Racist comments/pictures
8. LGBTQ activity
9. Derogatory statements regarding the school, staff, or other students.

Some of these issues are illegal for our students based on their ages. Once something is published in the digital realm, it is there forever. Deletion doesn't cause the item to disappear. Colleges, businesses, scholarship foundations now use candidates' digital history when considering new additions; student should learn NOW how to behave responsibly online. This will pay dividends for them in the future.

Texting/Messaging/Email

Twenty years ago, we sent letters and notes to each other. Today we text, message, and send email. Just as in the "paper era," these are used as proof in legal matters, when considering employment/schooling, and can be retrieved from the distant past.

When students communicate digitally, it is the school's expectation that the above guidelines be followed. Again, we are not going to monitor student communications, but if parents or

students bring in examples or rule violations, we will investigate and take action.

When violations occur:

1. A student will be notified that a violation has been brought to our attention. If there are screenshots or proof, it will be presented. A warning to remove or cease from the offending material will be given.
 2. A brief report will be prepared with details of the problem and its resolution and sent to parents.
 3. If a pattern of violations occurs, or if students refuse to abide by the guidelines, they may be subject to non-renewal of enrollment. In certain cases, the student may have enrollment terminated early.
- *Digital trends change. As new sites and trends appear, these guidelines will apply. Updates to this policy will be sent to parents/guardians as needed.*

RESPONSIBILITY AND EARNED RESULTS

The school believes that everyone is responsible for his/her choices and those choices produce natural results. To foster Christian character growth and academic progress, staff will provide clarification and guidance for students.

Disciplinary Action

Student misconduct will be considered an opportunity for learning. The nature and seriousness of a particular incident will be carefully evaluated. Verbal counsel, redirection and/or reprimand will be utilized as a first step in most situations. However, disciplinary action will be taken as needed and may include any of the following. Disciplinary actions and results will be documented as

appropriate. The school reserves the right to enforce alternate discipline measures when deemed necessary.

- **Loss of Privileges**

Students will earn loss of privileges for minor offenses. Ordinarily these are handled between the student and the teacher in whose classroom the situation occurred. Repeated minor offenses will result in more progressive disciplinary action.

- **Detention**

A detention, in most cases, is a loss of recess or multiple recesses. During these times, students may be given additional work to complete above their expected daily work. Students will earn detention for offenses that are more serious than minor ones. Notice of offenses and consequences will be relayed to the parents. Repeated detentions may result in but are not limited to: Conference (any combination of student, parent, teacher, administration), Behavioral contract, Suspension.

- **Suspension**

Students will earn suspension for repeated detentions, habitual non-conformity to school rules, and offenses of a serious nature. Repeated suspensions may result in but are not limited to any of the following.

- Conference (any combination of student, parent, teacher, administration)
- Behavioral contract
- Dismissal

- **Dismissal**

Dismissal will be required of any student:

- With repeated suspensions,
- Whose conduct is detrimental to the school's reputation,
- Whose conduct is detrimental to the cause of Christ, and/or
- Whose parent is uncooperative with school policies and procedures.

School Staff

The following are the School's staff and their primary responsibilities

- Leonard Gladden - Administrator, Supervisor – Upper Grades
- Ronda Thomas - Kindergarten-2nd Grades, Playground Supervision
- Kathy Daniel - Secretary, Art
- Lacy Flanigan – Pre-K

Handbook Purpose and Changes

This Handbook is intended to serve as a guide for students and parents associated with School of Hope. The information and policies are current at the time of printing; however, changes may be made without prior notification. If changes do occur, students and parents will be informed in writing.

Nondiscrimination Statement

The School of Hope admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school.

PARENT-SCHOOL PARTNERSHIP

The School of Hope considers it an honor to partner with you in meeting your God-given responsibility to educate your children. For our partnership to be successful in fostering your child's Christian character development and academic progress, ongoing and open communication between the parent and the school is essential.

For questions or concerns, we will contact one another.

You are encouraged to contact us or schedule a meeting with us any time you have questions or concerns. We ask for the same freedom to speak or meet with you if we have questions or concerns.

Both of us need to have a 'benefit of the doubt' philosophy.

If your student comes home with an account of an incident that may have happened at school, please contact us before drawing any final conclusions. Reporting of events is often emotionally biased and may be lacking pertinent details. We will meet with you, your student, any staff member involved, and the administrator in an attempt to discover all the facts and to find a reasonable resolution. Likewise, if we have concerns about your student, we will contact you rather than making assumptions.

Let us work together to lay a good foundation for your child's life.

This education is not simply another expense in the budget but rather an investment in the future.

STATEMENT OF FAITH

WE BELIEVE:

- The Bible is the divinely inspired and true Word of God
- God is a triune God – Father, Son, and Holy spirit, equal in divine perfection
- Christ was born of a virgin birth
- The sinless humanity and deity of Christ
- The Genesis account of creation is a true account of how God brought the world into existence
- Man was created to be the image bearer of God and lived in innocence until he fell by voluntary transgression from his sinless state
- Christ's death was substitutionary for the sins of man
- Christ was bodily resurrected, ascended to Heaven, and will return in like manner to resurrect His saints
- Salvation is of grace, not of works, and effects a salvation that eternally secure
- Christ established His Church during His personal ministry and it the instrument He uses for the spreading of the Gospel – the death, burial, and resurrection of Christ
- We should have freedom to worship without interference from any government or entity.

HANDBOOK ACKNOWLEDGEMENT:

- We, the parents/guardians of the student below have read and understand the guidelines presented in this handbook.
- The student understands the content of the handbook.
- We are committed to partnering with the School of Hope for the best educational and spiritual interests of the student.

DIGITAL IMAGE PERMISSIONS:

SSH maintains a website: www.schoolofhope.net

SSH also creates unique digital content and programming for YouTube at:

<https://www.youtube.com/channel/UCkW8ECiAcq5bq3s-5esxDwg>

There are two Facebook pages for the school:

- Springhill Baptist Church/School of Hope – the public site for friends of the church and school
- SSH Parents – a private group for parents/guardians only

We are committed to maintaining student safety and privacy on the web. However, we do utilize various forms of digital media for informational, entertainment, and testimonial purposes. When student images are used on social media, we use first names only, and will not link/tag students.

We ask that parents/friends/students wishing to tag others do so only with their permission

I have read and understand the above guidelines and:

- Give permission for my child's first name and image to be used in digital online media
- Decline to give permission for my child's image and/or name to be used in digital online media
